

**Eurosatory**  
Paris, Villepinte  
400 sq. m.

## MBDA

Eurosatory's exhibition building provides actual physical access to the company's character.

devoted to each area trigger feelings that resonate with the brand's strategic positioning.

Exclusively devoted to receiving visitors, its architecture and interior were designed on the basis of a sober perspective, where power and energy are counterbalanced by image contemporariness.

The precision in the alignments, and the colour-induced ambiances
